

Matthews

Established in 1993, Matthews Winery is located in the heart of the Woodinville Wine Country. The boutique winery is owned by one local family and focuses on maintaining production of Bordeaux style and single varietal vineyard designated wines, using grapes grown in Washington State from vineyards that have experience and respect for nature and it's soil. The winery and winemaker, Aryn Morell, believe that there is a deep and tangible link between the vines, hills, winegrowers and winemakers, and carries this proof of affinity into every aspect of winemaking: from the vineyard to the cellar, from the vine to the wine bottle.

2012 Matthews Columbia Valley Sauvignon Blanc

Pineapple, hints of guava, gooseberry and grapefruit. Lacings of honeysuckle mingle through the ripe fruit. A mineral tone wanders through giving the wine more depth. Swirling brings up stone fruits to accent the citrus and floral tones. The palate is intense and textured with lots of tropical fruit and citrus zest. Ripe and chewy; with a mouth-watering finish.
