## 2022 RESERVE SAUVIGNON BLANC

The 2022 Matthews Reserve Sauvignon Blanc is comprised of several vineyard parcels within the greater Columbia Valley. Key sites are from Horse Heaven Hills, Royal Slope, and Yakima Valley AVAs. This wine truly represents the broad flavor and aromatic expressions of Sauvignon Blanc from the diverse terroirs of Washington State. The winemaking team worked with vineyard managers to restrict yields, creating small, concentrated berries. Cool fall nights preserved freshness in the wine while continuing flavor development. Hand-harvesting took place in the early mornings in early October.

Once arriving at the winery, the fruit was sorted and whole cluster pressed. The juice was then moved to tank and cold settled for 24 hours. The cleaned juice was racked into varying formats of 32% new French oak and 68% used French and Austrian oak. Barrel fermentation ranged anywhere from 3 weeks to 4 months. Once fermentation was complete the wine was rested until Spring of 2023. Only 17 carefully selected barrels were blended and bottled unfiltered and unfiltered in August 2023 bottled, yielding as little as 440 cases.

Three separate clones were included in the final blend (Sauvignon Blanc: 1, 27, Gist).

*“The stunning 2022 Reserve Sauvignon Blanc from Matthews is also 100% Sauvignon Blanc fruit that is barrel fermented ranging from 3 weeks to 4 months, then rested for 7-11 months in new and used French oak. Only 17 selected barrels were picked for the wine, and it was bottled unfiltered and unfiltered. The team purposely lets the fruit hang for a more extended period of time, which develops those yummy tropical aromas and flavors. Notes of ripe pineapple, starfruit, gooseberries, freshly cut grass, bitter herbs, and sandalwood are all present in the glass. Medium to full-bodied across the palate, it finishes rich and lush.”*

*“This Sauvignon Blanc is 100% barrel-aged, and for the Reserve, the vineyards are the same as the standard bottling with some Royal Slope sites added in. Blended with Musque clone, honeyed pear and ginger aromas, and cardamom spice (35% new oak). Sur lie ageing with the fleshy, rich texture of honeyed peach, spiced pear flavours and a saline character that lifts the wine's finish. Delicious.”*
